

## Accuray Images & Logos

By downloading and/or using the Accuray Incorporated (“Accuray”) Images and Logos, you acknowledge the rights of Accuray in its Images and Logos, that you have read and understood these terms, and that you agree to comply with these terms in using the Accuray Images.

The Accuray Image Gallery contains valuable business property (individually and collectively, “Images”) and these guidelines are intended to protect them. In consideration of Accuray permitting you to use the Images located in the Accuray Image Gallery, you agree to comply with the guidelines described herein. Accuray gives you a personal, non-transferable, revocable right to use the Images in the Image Gallery only in connection with your Radiosurgery and/or Radiation Therapy practice and will not use these Images in any activity that may in any way hurt Accuray’s reputation or that of its goods and services. You agree not to use the Images in any manner that would deceive or mislead the public, including in regards to sponsorship or affiliation with Accuray. Any goodwill accruing to any Accuray trademark by virtue of your use of the Images shall inure to the benefit of Accuray.

You will use the following language as a credit and notice:

**Image courtesy of Accuray Incorporated - ©[year] Accuray Incorporated. All Rights Reserved.**

If Accuray asks you to stop using these Images or to change that use in any way, you agree to promptly comply with that request.

These terms and your use of the Accuray Images do not constitute a partnership, joint venture, or agency relationship between you and Accuray. This is the only agreement between you and Accuray concerning the Accuray Images, and it may not be changed except by a signed written agreement.

If you have any questions or any proposed use that is not covered by these guidelines, please contact the Accuray Marketing Department. Accuray may change these guidelines at any time without prior notice, and may for any reason whatsoever withdraw this permission.
