

Accuray Incorporated Management Bios

Joshua H. Levine
President and Chief Executive Officer

Joshua H. Levine joined Accuray in October 2012 as President and Chief Executive Officer, and Director of the Board. Levine brings extensive experience from a career spanning three decades in the medical device/medical technology industry, having worked in a variety of market leading organizations including American Hospital Supply, Kinetic Concepts (KCI), Mentor, Johnson & Johnson, and Immucor.

Levine served as President and CEO of Mentor Corporation from 2004 through early 2009 and led the company through a strategic transformation prior to its sale to Johnson & Johnson. Levine spent a total of 15 years at Mentor, where he held various Sales, Marketing and Management roles including Chief Operating Officer and Senior Vice President of Global Sales and Marketing. Most recently, he served as President and CEO of Immucor Corporation. Levine holds a Bachelor of Arts degree in Communications from the University of Arizona and has completed Executive Management Programs at Stanford University, Graduate School of Business and the University of Pennsylvania, Wharton School.

Kelly J. Londy
Executive Vice President, Chief Operating Officer

Kelly Londy is the Chief Operating Officer at Accuray. In this role she provides end-to-end leadership across all customer facing activities, from product development through customer adoption and service. Londy joined Accuray in 2011 as the Executive Vice President and Chief Commercial Officer, bringing more than 20 years of strategic business, sales and marketing experience in the medical device field including nine years of practical, clinical experience in radiography.

Prior to joining Accuray, Londy served as Vice President and General Manager of Molecular Imaging, at GE Healthcare North America, where she optimized multi-business strategy with a focus on value proposition for improved cost, quality and access to new technologies. She also held roles in Marketing, Executive Account Management and as a product specialist in the MR and Women's Health businesses while at GE.

Previously Londy served as Vice President and General Manager at Philips Healthcare North America, where she held multiple leadership roles. Londy began her career as a radiographer and manager at the University of Michigan.

Londy earned her degree in Radiologic Technology from Washtenaw College in Ypsilanti, Michigan and a BAA from Cleary University in Ypsilanti, Michigan where she graduated Summa Cum Laude.

Kevin Waters
Senior Vice President, Chief Financial Officer

Kevin Waters is the Chief Financial Officer at Accuray since September 2015, bringing more than a decade of medical device experience and 15 years of financial experience. In his role as CFO, Waters leads the global finance, financial planning and investor relations functions of Accuray. He is also responsible for overseeing the Company's facilities. Waters joined Accuray in October 2013 as Senior Vice President, Finance. During his career Waters has demonstrated significant expertise and leadership in turnaround and high-growth management situations for publicly-held global medical technology companies.

Prior to joining Accuray, Waters was employed for more than seven years by Conceptus Inc., a global leader in the development and commercialization of innovative device-based solutions in permanent birth control, and was most recently Vice President of Finance, prior to its acquisition by Bayer Healthcare in September 2013. Before Conceptus, Waters was Corporate Controller at Laserscope, Inc., a manufacturer of urology and aesthetic laser products. Prior to this, Waters held various finance leadership positions at VISX, a manufacturer of laser vision correction technologies. Waters began his professional career at PricewaterhouseCoopers, LLP.

Waters earned his B.S. in Business Administration, with a double concentration in Finance and Accounting, from Cal Poly San Luis Obispo.
